

Hello MJFC Parents, Players, Members & Sponsors,

Footy is BACK!

How good is it to see all the girls and boys back on the track having fun and sweating it up as we head into Season 2021 - it's been a long time between matches!

Given the terrific start we've had to pre-season training with the number of players in attendance we have an opportunity to field additional teams in various age groups across the Club.

Could we encourage each of you to review the list below and reach out to our new Football Manager, Ben Broadbent on 0404 882 982 or email benbroadbent42@gmail.com, if you have the capacity and interest to assist with coaching in one following age groups. Alternatively, you may be able to recommend someone who hasn't spoken to the club or that we could approach to help in the development of our players.

Please note, initial Expressions of Interest will close on Thursday 25th February.

Also, given we are committed to the additional teams to ensure all players can maximise their playing time please get the word out amongst, friends, family, school mates or teammates from basketball, netball or cricket that MJFC is the place to be this year!

See you on the training track.

Go Mont!
